#### QUESTIONS FROM BIDDERS:

On the "Proposal/Breakdown & Bid Form" the letter "N" is listed as 11 x17 Insert.

There is NO "N" listed on the Signage Schedule?

**ZAS Response: N is listed on the signage schedule in the Lobby. It is to be a 11x17 metal frame that allows an 11x17 insert.**

012	133 Lobby	N		DRYWALL	BLANK-INSERT ONLY
-----	-----------	---	--	---------	-------------------

Also on the "Signage Schedule" Sign Number 58 and 59 are not listed anywhere and do not have a sign type

**ZAS Response: These are just a freestanding plexiglass 8.5x11 insert that the library would like to include in the bid package and place as needed. See design intent for what would be acceptable below. These have been added to the bid tally breakdown for clarification.**

or a spot on the "Proposal/Breakdown & Bid Form"  
Please advise.
