

Currently Received Magazines List

The Central Library of Milwaukee Public Library has an extensive collection of Periodicals in print, microfilm, and microfiche. This list provides the titles of all magazines and journals currently received by the Central Library.

Click on the title to link to complete information on dates owned and location of materials at Central Library. While these titles are readily accessible to patrons visiting the library, retrieving many titles will require some assistance from staff members and patrons will need to show identification. All materials are to be used in the library only.

If a title is available digitally through a database offered through Milwaukee Public Library there will be an additional link next to the title. If the title is only available digitally and not physically received at Central Library there will be no CountyCat link within the title.
