Media Advisory

Milwaukee Public Library Celebrates Harvest Fest and “Gets Its Geek On”

What: Kids and their families can celebrate the fall season at the Milwaukee Public Library with music, dancing, story times, and educational entertainment. Kids can decorate a pumpkin and pumpkin cookies to take home. There will be apple cider to sip as you listen to Pint Size Polkas and family folk music. Learn about bugs and visit the Havenswood National Forest learning station.

In addition, MPL will kick off the “Get Your Geek On” campaign to encourage people to ask and answer the question “What do you geek?” Learn how MPL supports everyone no matter what they “geek” with books, media and more! Visit the “Get Your Geek On” information table for more information, or go to www.geekthelibrary.org.

Media coverage is welcome and encouraged. Library Director Paula Kiely will be available for interviews onsite.

When: Saturday, October 3
10:00 a.m. – 1:00 p.m.

Where: Central Library Betty Brinn Children’s Room
814 W. Wisconsin Ave.
414.286.3091
