

# Patent Searching 101

Wednesdays,  
Aug. 24, Sept. 21, Oct. 19, Nov. 23, Dec. 21  
2:30-3:30 pm

Milwaukee Public Library  
[milpublib.qrd.by/patent101](http://milpublib.qrd.by/patent101)

Are you an inventor or small business owner with a potentially patentable idea?

Are you just interested in browsing the national patent database?

Join us virtually for an introduction to patent searching using the United States Patent and Trademark Office's new Patent Public Search database. You'll learn the basics of patent searching from the types of terms to use, to the standard features present in Patent Public Search.

Visit [www.mpl.org/ada](http://www.mpl.org/ada) for information on ADA program accommodation requests. 2022
