

Collaborative City

“What is your life’s blueprint?” - Dr. Martin Luther King Jr.

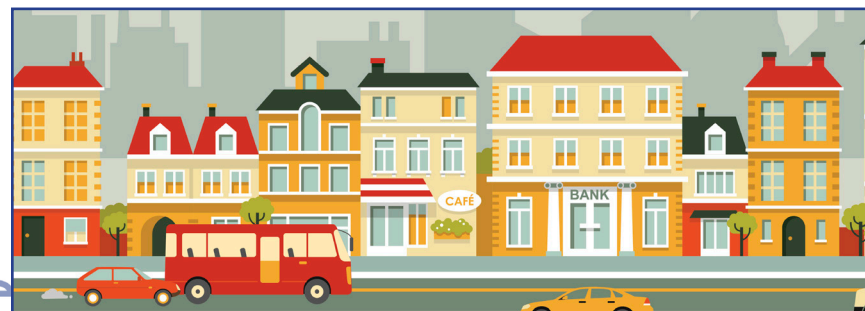

Together we’re building a city! Use the back of this page to draw a street view of a city block you create.
Please share your phone number and/or email address with staff if you drop off your entry at the library.

Artists should brainstorm:

- Dr. King’s dream of equality and justice
- What brings people together
- Buildings you’d like to see on your block
- What a city needs
- What you’ve seen around Milwaukee County
- Important buildings
- What makes a community welcoming to all
- Your favorite places

Challenge your friends and family to find their inner architects! Submit entries by completing the form at mpl.org/CollaborativeCity or drop your entry off at any Milwaukee Public Library for a chance to win LEGO prizes. Submissions are due Monday, January 31.

Go to mpl.org/MLKDay to get further details and to take part in Milwaukee Public Library’s virtual celebration on Monday, January 17.

First Name*: _____

--	--	--	--	--	--	--

**If dropping off in person, please share phone number and/or email address on back of this page for a chance to win LEGO prizes!*
