You tear me apart, smiling and laughing. **Knowing you**

Are the knife, cutting me deeply **to the raw**

My “friend” I would say, but I have become unable. **point of love.**

Shadow now, lurking from afar. Most distinctly seen in the sunlight of **You are my**

The way you act punctures me inside. All I can do is cry as **happiness.**

Cause ing this great sadness in me. The heavy absence **I hope,**

Of love that you once had possessed. **today**

My greatest enemy. No longer **You will be**

Sorrow is now and **my love,**

The empty feeling. The death of a soul. The burning anger. **forever.**

Reason. The cause of it all, as you have left me behind. **You are the**

Joy

For what? It has been destroyed. In place is a void,
found in my heart

Each day I awake, your presence in my mind. Goodbye happiness,
resting in the

Dark. If I had known, I wouldn't have fallen. I invested myself in the
hopeless

Thought of what we could be. Yet you stab me inside at the
love I have for you.

Losing you this year has been the hardest impact.
All I have wanted is

Your love to return. Yet you suffocate my soul, with
your beautiful

Presence. It feels like an eternity since your
smile

Has come from me. I want to be there,
and

Become your support. But I have murdered all hope of
trust.

My love - I used to say. Now I am just burdened. You are
my

Greatest pain, the cause of all darkness. The constant absence o

Dreams -

crying while sleeping. I am done with “ you and

love.

And

I want to move on. Yet here I still

I”

Scariest

thoughts rising in my head.

am,

Nightmares

come again and again. I know you will never be

So

sorry.
