NEW BUSINESS
7. Contract Award – Community Engagement Consultant. Library Director Joan Johnson presented a brief overview of the community conversations project, which is gathering data to help inform service planning for 2024 and beyond. The Community Engagement Consultant will integrate their engagement plan with MPL’s ongoing project, apply strategies to increase community feedback participation levels, process and analyze raw data, and prepare final reports in various forms. A Request for Proposal (RFP) was issued and 3 qualified proposals were received. The Library Director, Deputy Library Director, Associate Director of Public Services, Community Relations and Engagement Director, and Communications and Marketing Administrative Specialist, Sr. met to review the proposals. The committee came to a unanimous agreement to recommend awarding the Community Engagement Consultant contract to INPOWER Solutions for $65,700. 8. Contract Award – Café Services Vendor. Deputy Library Director Jennifer Meyer-Stearns presented a contract award recommendation for the café vendor contract at Central Library. A Request for
Proposal (RFP) was issued in fall 2022 and 2 qualified proposals were received. The committee came to a unanimous agreement to recommend awarding the Café Vendor contract to Rise & Grind Café. MPL is working with the City and vendor to prepare the space. Trustee Kowalski moved to grant MPL authority to enter into contract with Rise & Grind Café. Trustee Mercado seconded. Motion passed.

9. Legislative Updates. Library Director Joan Johnson shared a briefing on the State biennial budget for 2023-2025 and its potential impact to Milwaukee Public Library. The Governor’s proposed budget includes a $14M increase for state aid to library systems, to be dispersed over 2 years. The Wisconsin Library Association lobbyist anticipates bipartisan support for an increase closer to $6M over 2 years, which would raise the base amount of state aid to library systems to $46M. In February, MPL staff and President Sain participated in Library Legislative Day, meeting with the Milwaukee delegation of legislators to communicate importance of library funding and gain their support. If the funding is approved, Milwaukee County Federated Library System (MCFLS) would receive an increased allocation which would result in a higher payment to MPL as part of the resource library contract. The resource library contract stipulates MPL receives 6.5% of the MCFLS allocation. Regarding the City budget, department heads will be directed to submit a cost to continue budget in April. Mayor Johnson and his team are in conversation with State legislative leaders and Budget Director Kovac will present an update at the May 23, 2023 Board meeting. Director Johnson introduced Angelique Pettigrew, Budget & Fiscal Policy Analyst with the City Budget Office. Informational item.

It provides an authentic community to share best practices with a focus on outcomes-driven research and innovation. In December, ULC launched a strategic planning process and is pursuing national grants that will have benefits at local levels including: libraries as hubs for entrepreneurship, addressing food insecurity, public housing and public library partnerships. 2. Community Conversations. Library Director Joan Johnson presented an update on the ongoing Community Conversations with the City Librarian. To date, conversations have been held at half of the branch libraries, with the remainder scheduled through June 2023. Attendees have shared praise for excellent customer service and appreciation for reference assistance, collections, online holds system, and literacy programs. Patrons have also respectfully shared challenges and critical feedback. Several attendees asked how they can help secure a better fiscal outcome for MPL. The MPL website has been modified to include links to information about the State budget and how to find information about their local elected officials. The community engagement consultants at INPOWER will help gather additional feedback with a goal to reach 1,500 people, including hard to reach populations and people not currently using the library. MPL has scheduled 2 sessions at community partner organizations, Safe & Sound on May 10th and Journey House on May 24th. MPL and INPOWER will schedule additional meetings with community partners through June. Informational item.

3. Broadband Access Update. Library Director Joan Johnson presented an update on the broadband access work. Director Johnson is awaiting advice from the City Attorney’s Office in relation to municipalities and broadband access to ensure MPL and the City comply with state statutes. Specifically, she sought to clarify that MPL can legally provide broadband access to homes in the vicinity of its locations using private funding. If the project moves forward, MPL will use tools currently employed by the Affordable Connectivity Program to determine whether a household is eligible for this service. Roll-out of the program will require trust and buy-in from the community, along with technical support and instruction.

4. Next Meeting. Updates about the broadband access projects, REI work plan progress, and updates on community outreach related to service planning will be presented at the June 6, 2023 meeting.

The meeting of the Milwaukee Public Library Board’s Innovation & Strategy Committee was adjourned at 9:31 a.m. on April 4, 2023.
Chair Michael Morgan called the MPL Board of Trustees Building and Development Committee meeting to order at 8:00 a.m. on April 6, 2023 with a quorum present. All Trustees and presenters participated by video conference.

1. **Approval of the Minutes.** Chair Morgan entertained a motion to accept the minutes from the January 12, 2023 meeting, listed as Attachment A of the agenda. Trustee Sain moved approval and Trustee Kowalski seconded. Motion passed.

2. **Mitchell Street Branch Alley Project.** Library Director Joan Johnson introduced Library Services Manager Maria Burke and commended her for assuming management of this project. Director Johnson noted Ms. Burke is doing a fantastic job, is very proactive, shares her goals, and is results-oriented. Ms. Burke presented an update on the Mitchell Street Alley Project. The alley is one of 3 being developed along Mitchell Street in a project organized by the Historic Mitchell Street BID #4. To date, string lights have been installed along the alley, providing a very beautiful and charming atmosphere. Next steps include installation of planters around Memorial Day and adding plants that will thrive in the space. Mitchell Street library has partnered with a local arts group called La Familia de Arte, who has an installation of ceramic tile balustrades on Cesar Chavez Drive. The balustrades are covered in hand-painted ceramic tiles created by community participants designed into a mosaic story. Similar balustrades will be added to the Mitchell Street alley. The youth librarian is developing programs for teens to tell their stories with the tiles and create the art mosaic. The balustrades serve a secondary purpose as traffic barrier for the space. This is the first of several art projects planned for the space. MPL has already held several programs in the alley space, including an MPL Foundation Board event and a BBQ competition. Mitchell Street staff looks forward to outside story time and working with teens on planting and gardening upkeep. The Mitchell Street Alley has been added to public space reservation system for patrons. Informational item.

3. **Real Estate Update.** Deputy Library Director Jennifer Meyer-Stearns provided an update on the timeline for marketing the former Mill Road and Llewellyn library buildings, currently held for sale with Department of City Development (DCD). The Mill Road property was held until the new alderperson was elected to ensure the sale is in line with their vision for the district. DCD is also investigating opportunities for combining with neighboring parcels to create a larger lot. DCD is working with community organizations to ensure the sale is in line with ongoing business development plans. Both properties are expected to be marketed for sale in summer 2023.

The MPL Facilities & Fleet Department has a significant number of vacancies in custodial and facilities staff. As a result, the pending Central Library projects are paused. MPL worked with The Concord Group to review and update MPL’s construction and contracting documents. The Central Library projects are expected to be put out for bid in the next 6 weeks. Deputy Director Meyer-Stearns has received several comments about how beautiful Central Library looks, even under staffing pressures.

U.S. Bank National Assoc. Commercial Paper (rated A1+) confirmation #327152096 dated 3/1/23 and maturing 11/1/23 at a rate of 0.4%...$250,000.00
Community Conversations led by Director Johnson continued at Capitol and Tippecanoe branches, bringing the total to eight sessions averaging 12 attendees each. Planning meetings were held with leaders from community organizations Journey House and Safe and Sound for hosting the conversations at their respective sites. The kick-off meeting with community engagement consultant INPOWER Solutions was held and the expanded project team is off to a good start.

Significant time was spent preparing for and presenting for the Mayor’s Action Plan and Policy (MAPP) meeting, the first time in this format for the Library, and for the Steering and Rules Committee hearing regarding budget scenario planning, another first for departments.

Johnson is selectively attending programs throughout the system, and most recently enjoyed presentations by MPL’s Poet Laureate, Mario the Poet, at the Bay View Branch and met Community Kitchen Coordinator, Sherri Agee, after the highly successful Blissful Brunch program. Ald. Jose Perez was in attendance for the latter.

To increase awareness of library services and programs during National Library Week, Johnson gave interviews for the Milwaukee Courier and WTMJ. She was also interviewed by Milwaukee Community Journal as an honoree of the paper’s 2023 Diamond awards.

Johnson continued to engage with local community leaders including with the Milwaukee Broadband Partnership, Techquity Advisory Council, the Rotary Club of Milwaukee, COA’s annual fundraiser, UWM’s Center for 21st Century Studies, and Milwaukee Neighborhood News Service. She also served two days of jury duty.
