At the meeting, the committee reviewed and approved a revised proposal for the mixed-use building that will house a new Milwaukee Public Library on Good Hope Road. The live auction proved to be successful, raising over $160,000. Mr. Daniels expressed his gratitude for the MPL Foundation Board of Director’s for their commitment to the library and their support of the event. The Foundation has raised $1.38 million to-date, compared to $1.34 million at this time last year. The Foundation’s goal was set at $2 million. Several year-end solicitations are pending. Solicitations for funds to support the Library Card Campaign and the Mitchell Street Project will be mailed soon.
8. **MPL Foundation Report.** (continued)
Director Kiely reported that thousands of people came through the doors of Central Library on October 22 and 23 to experience Haunted Central. This was the second Awareness Campaign’s Library Loud Days event. The campaign is funded by the Milwaukee Public Library Foundation. Hundreds of volunteers made the weekend event possible. The next phase of the campaign will focus on programs at the branches. Informational item.

**OLD BUSINESS**

9. **Forgiveness Campaign.** Deputy Director Joan Johnson distributed a Fine Forgiveness Summary Report dated October 24, 2016, attached at the end of these minutes. During the Welcome Back to the Library – Fine Forgiveness Campaign, patrons were able to return long overdue items and ask for fine forgiveness at all MPL locations from September 26 to October 16, 2016. The public service staff provided extraordinary customer service to a much higher than usual volume of people. Accomplishments included: $364,205 fines waived, 10,616 registrations, 1,223 items returned and overall goodwill. Staff will continue to work with patrons using existing procedures that allow for waiving 6-year old fines in addition to a limited number of other circumstances via a fee dispute process. Informational item.

10. **Library Budget Hearing Report.** Director Kiely made a presentation to the Common Council’s Finance and Personnel Committee at the October 14, 2016 budget hearing regarding the library’s 2017 budget. Discussion included recruitment and retention of staff, programs that highlight city resident needs (early literacy, job, and computer skills), and the capacity for increased public service hours. No further communication from the Budget Office has been received to indicate that there would be any budget amendments. When passed, the budget will allow the library system to continue services at the same level as this year. Common Council budget adoption is expected on November 4, 2016. Informational item.

**NEW BUSINESS**

11. **2017 Milwaukee Public Library Proposed Public Service Hours.** Director Kiely briefly summarized the library’s public service hours for 2017. Until early 2016, an in-house contract was maintained and the necessary equipment remained on the third floor of the Central Library. Library administration is requesting approval to auction approximately twenty pieces of bindery equipment, aging from 1949-2014, through an online auction house called Wisconsin Surplus. The money earned from the transaction may go towards space planning and process planning for the Technical

**STRATEGIC DISCUSSION**
13. **Impactful Library Programs and Measurement.** President Gurda held this item.

   With no further business, the Milwaukee Public Library Board of Trustees meeting of October 25, 2016 was adjourned at 6:00 p.m.
Milwaukee Public Library conducted a Fine Forgiveness Campaign September 26 to October 16, 2016.  

**GOAL:** Increase access, reduce barriers and welcome back adults, children and families to all the library has to offer.  

- Any patron requesting forgiveness of fines or fees  
- MPL-owned materials that were checked out prior to September 9, 2016

**Major accomplishments:**  
1. $364,205 waived  
2. 10,616 registrations  
3. 4,467 items returned

The number of blocked patron accounts was reduced 35% from 150,000 to 98,304. The amount of outstanding fines was reduced 11% from $2.7 million to $2.4 million. The number of accounts that were previously blocked and re-activated during the campaign are shown in the figures below:

The monthly average of registrations through August 2016 was 5,327, and increased by 5.12% to 5,600 through September. Library staff is also examining the impact of the campaign on the number of active users, usage and on revenues generated by fines and fees collected.

### Fines Waived/Paid

- Track the number and % of blocked accounts and reasons for being blocked:  
  - Invalid address  
  - Fines/fees over $5 threshold  
  - Billed items (replacement fee for lost, damaged or long overdue items)  
  - Security incident/banned status

Staff will continue to work with patrons using existing procedures that allow for waiving 6-year old fines in addition to a limited number of other circumstances via a fee dispute process.

---

**Plans for analysis going forward include:**

- January 2017: regular periodic check of the activated accounts at 3-month intervals, parsed by age group.
- Usage - Circulation vs. computer and internet use.
- Policy development to automatically remove uncollectible fines (6-years and older) on a periodic basis.
- Track the number and % of blocked accounts and reasons for being blocked:
  - Invalid address
  - Fines/fees over $5 threshold
  - Billed items (replacement fee for lost, damaged or long overdue items)
  - Security incident/banned status

Re: Recommendation to Permanently Ban Cliff Walters from all Milwaukee Public Libraries

I request your support to permanently ban Mr. Cliff Walters from entering any City of Milwaukee Public Library.

Mr. Walters entered the Villard Square branch of the Library unlawfully on October 16th. He removed library property as well as personal items belonging to the staff. The Milwaukee Police Department arrested Mr. Walters and he was charged with Burglary.

Permanent bans, if approved, will give MPL the ability to pursue legal action with the help of the District Attorney’s Office if the patron violates the terms of the ban. The patron will have the right to appeal the ban immediately following the ban and annually thereafter.

C: Jennifer Meyer, Assistant Library Director
Chair Milele Coggs called the meeting of the Board of Trustees Library Services & Programs Committee to order, at 5:33 p.m. on Monday November 7, 2016 with a quorum present. Agenda items were taken out of order, however; these minutes are presented in numerical sequence.

1. **2017 Program Plan.** Director Kiely referred to attachment A, page 2 of the agenda, listing an Inventory of Services for 2017 ranging from early literacy, school-age services, teen services, adult services, and services for multiple audiences. Newer library services include Library Loud – library card wristbands, ConnectEd – library card education for Milwaukee Public Schools, teen internships, Career Online High School, and social worker services, among others. Director Kiely said that funding is being sought from the Milwaukee Public Library Foundation to support some of the programs. Trustee Hooper suggested that a brief description of the services may be useful for MPS teachers to learn which programs may benefit and/or offer opportunities for MPS students. Trustee Sain noted that it is important to effectively communicate with other community entities that are providing similar services such as the social worker program. Library administration will provide status updates on the progress of the newer services as they are developed and marketed.

Director Kiely briefly discussed the possibility of examining a “boutique” library model that would offer a specific collection for research, tailored to a particular area of the community. Informational item.

2. **ConnectED Library Challenge Update.** As part of the National ConnectEd Library Challenge, MPL, MPS Superintendent Darienne Driver and Mayor Barrett have been working together to make sure that every student in MPS has a library card. The Memorandum of Understanding is listed as attachment B, page 3-9 of the agenda. This fall, the partners will work collaboratively to make sure that every child will have access to the library through a digital library account. MPL will be going into the schools to talk to the students about all the resources they will have access to through their computers at school. Deputy Director Joan Johnson summarized action steps to move the initiative forward:
   - MPS student data transferred to MPL
   - Outreach to teachers, parent coordinators and media specialists in progress
   - Library instruction for the students and curriculum support with the teachers
   - Outreach team conducts train-the-trainer activities using our educator toolkit (videos, live demos, fliers as print on demand)
2. **ConnectED Library Challenge Update.** (continued)
   - MPL and MPS partners outreach to students
     - Elementary – parents
     - Middle grades – parents and students
     - High school – students
   - MPL branding uses look and feel of Library Loud
   - New working title “MPLstudentcard.org” – same as URL for MPL’s portal – a link will be placed on the MPL Student Toolbox Web page
   - Developing mobile website which will serve as a welcome portal and gateway for students
   - Incentives for students who upgrade to a full service card
   - Kick-off event at MPS school in January with all partners

3. **Permanent Ban of Patron.** Director Kiely referred to the memo dated November 2, 2016, attachment C, page 10 of the agenda. She asked the committee to support the recommendation to permanently ban Mr. Cliff Walters from entering any City of Milwaukee Public Library. Trustee Hooper moved and Trustee Coggs seconded a motion to permanently ban Mr. Walters from MPL. Motion passed. A letter from President Gurda will be sent to the patron informing him of the ban. It was noted that the patron would have 15 days from the date of the banning letter to request an appeal. Thereafter, the patron may request an appeal before the MPL Board once a year, beginning one year after the ban.

The meeting of the MPL Board’s Library Services & Programs Committee was adjourned at 6:20 p.m. on Monday November 7, 2016.

Director's Report
October November 2016

The month of October was quite possibly the busiest and most exciting month in our recent history. We completed the Fine Forgiveness Campaign, forgiving over $364,000 in fines and welcoming back over 10,000 patrons; signed the Memorandum of Understanding with Milwaukee Public Schools that will enable us to issue digital library accounts to all MPS students in grades 1-12; we welcomed nearly 10,000 visitors to the Central Library for “Haunted Library” over the 2-day weekend of October 22 and 23; many of our staff realized the culmination of a year’s planning when Milwaukee hosted the annual Statewide Wisconsin Library Conference. Brett Rohlwing (Librarian III, Business, Periodicals, and Technology) led the planning as Conference Chair and many other MPL staff members served on committees, presented programs, and volunteered. An all-conference reception for nearly 200 guests was held at the Central Library during the conference.

A meeting with the architect and developer for the new branch on Good Hope Road was held to review and revise the working design. Project Manager Sam McGovern-Rowen attended two town hall meetings held by Alderwomen Lewis to update the community on the new apartment mix and the timeline for the project.

Assistant Library Director Jennifer Meyer and I met with the new managing partners of the Standard at East Apartment Condo, Bob and Marcus Felker. The Felkers will replace Ryan Schultz and Brett Haney on the Condominium Board. The next meeting will be held in January.

I met with Alderman Rainey to discuss ideas for serving residents in his district. We discussed the possibility of placing a resource library within the newly funded Office of African American Affairs. The scope and cost of this idea will be explored.

The Library team provided tremendous support for the November 8 election. Central and many branch libraries served as polling sites, Forest Home served as an early voting site, staff volunteered to work the polls and process absentee ballots.

My community activities and meetings included the following: Faye McBeath Foundation Reception and Book Launch at Marquette University, the Choice Neighborhood Steering Committee Kick-Off meeting, a reception for Milwaukee Art Museum Director Marcelle Polednik (with Board President John Gurda), BizStarts Awards at the Pfister, and a meeting with MATC President Vicki Martin.

Programs

White Cane Day. The Wisconsin Talking Book and Braille Library (WTBBL) and Audio & Braille Literacy Enhancement (ABLE) sponsored the 5th annual White Cane Day celebration and Flash Mob where over 150 people, including some from as far away as Hudson, Wisconsin, gathered in front of the Milwaukee County Courthouse on October 13. The purpose was to celebrate the accomplishments of children and adults with vision loss, and to educate people about Wisconsin’s White Cane law, which requires drivers to yield to pedestrians carrying white canes. Children and adults wearing purple t-shirts danced and celebrated to “Shake Your Groove Thing” (or, as they sang it, “Shake Your White Cane”) by Peaches and Herb, followed by reading of proclamations and spontaneous statements of enthusiasm and pride from those in attendance. This year’s Southeastern Wisconsin’s White Cane Day theme was “Show ‘Em How
We Do It.” This informational event is put together by a collaboration of educators of students with visual impairments, educators of adults with visual impairments, community members, and area organizations.

**Pizza, Popcorn and Professionals.** Thirty-five people, including teens and members of Running Rebels attended a Pizza, Popcorn and Professionals: Careers in the Music Industry program at Atkinson Library on Monday, October 24. Seven professionals from the music industry and Running Rebels had the audience’s rapt attention, as did Bailey Coleman as she shared an honest portrayal of being a woman of color in the corporate radio world and R&B singer Cincere’s heartfelt encouragement.

**Adverse Childhood Experiences (A.C.E.) with Mental Illness Stigma Reduction/Recovery Coalition.** The Adverse Childhood Experiences (A.C.E.) public programming series in collaboration with SaintA’s and the Mental Illness Stigma Reduction/Recovery Coalition continued on Saturday, October 15 at the Bay View Branch. Thirteen people attended the 90-minute session, representing a widerange of backgrounds including a parent coach, an employee from Pathfinders, an individual who works with homeless veterans and several patrons who stated they had experienced childhood trauma and were interested in what the ACE study revealed. Mike Joranger, A.C.E. trainer from SaintA’s, geared the presentation to the audience members and answered questions throughout the presentation. Audience evaluations were overwhelmingly positive, with comments such as: “This event was fantastic, accessible and informative. More similar events!” and “Please have more workshops!”

**Plan Your NaNoWriMo Novel!** The first of three National Novel Writing Month (NaNoWriMo) workshops was offered on Monday, October 31 at Central Library. Nine attendees participated in the workshop that challenged writers to write 50,000 words in 30 days. Author and teacher Rochelle Melander discussed ways to map out your novel’s structure, and described exercises to help writers choose a genre and create dynamic characters.

**Events**

**Harvest Fest at Central Library.** On, October 1, we had a wonderful Harvest Fest celebration at Central this year, with attendance of 1,255 people, a slight increase to last year’s record setting attendance of 1,220! We celebrated with the classics: decorating pumpkins and pumpkin shaped cookies; meeting interesting animals; dancing along to Fox and Branch and a new favorite, Little Miss Anne; listening to favorite books in the story nook; picking apples in the library’s orchard; and face painting.

**Author Event.** On Friday, October 21, Milwaukee Public Library welcomed acclaimed author and poet Jacqueline Woodson to Centennial Hall for an evening in celebration of her first adult novel in twenty years, “Another Brooklyn.” Ms. Woodson has left her mark on children’s and young adult literature, with her most recent book “Brown Girl Dreaming” winning the 2014 National Book Award, the Coretta Scott King Award, a Newbery Honor Award, the NAACP Image Award, and the Sibert Honor Award. Ms. Woodson was also recently named the Young People’s Poet Laureate by the Poetry Foundation. She read excerpts from “Another Brooklyn,” along with a few other selections of her work. The event was co-sponsored by Boswell Book Company. Attendance totaled 111.

committee Chair Michele Bria called the MPL Board of Trustees Building & Development Committee meeting to order at 8:10 a.m. on November 3, 2016 with a quorum present.

1. **Mill Road Redevelopment Project.** Mr. Terrell Walter, of Royal Capital Group, said that after the October 6 MPL Board Building & Development Committee meeting, his team went back to the drawing table on the building design and incorporated changes based on suggestions from the Trustees. Director Kiely and Library Construction Project Manager Sam McGovern-Rowen reviewed the most recent iteration of the design that featured more glass and a more prominent library entrance. The parking lot and egress cut options are being studied. It was determined that a design meeting with project stakeholders would be beneficial. After that meeting, the project architect, Engberg Anderson will make the necessary updates to the design to present at the Alderwoman Lewis’ Town Hall meetings on November 9 and 10. The renderings will be presented with the idea that they are preliminary and both the Trustees and the community may offer comments. Mr. Walter noted a project schedule will also be available. The final building design is expected to be presented at the January 2017 meeting.

Mr. Walter distributed a budget document listing the sources and uses of funds for the Mill Road Library Redevelopment Project, attached at the end of these minutes. Director Kiely noted that the library’s white box cost is comparable to other recent projects. Trustee Bria asked about the value of the property. The land is city owned and an appraisal has been requested. The gap between the value of the land, and the developer acquiring it for a dollar (if approved), will help with the financial participation category of the Wisconsin Housing and Economic Development Authority (WHEDA) application for tax credits. Informational item.

2. **Martin Luther King Redevelopment Project.** Library Construction Project Manager Sam McGovern-Rowen said four responses were received to the Request For Proposal that was issued to develop a new MPL facility to replace the King branch at the current site located at 310 W. Locust Street. A panel will be formed to review and evaluate the developer responses for potential formal presentation and selection by the Board. RFP concepts will be posted online and at the Martin Luther King branch for public comment. The schedule for upcoming meetings will be shared when finalized. Informational item.
3. **Mitchell Street Project.** Mr. McGovern-Rowen updated the committee on the progress of the Mitchell Street Project. Demolition of the interior of the historic Hills Building is nearly complete and the white box build-out for the library space is projected for December. The library hopes for an opportunity to reveal the space to the public, now that the drop ceiling has been removed, walls have been taken down and the mezzanine has been opened up. Informational item.

4. **Mitchell Street Project Contractor Approval.** Assistant Director Jennifer Meyer said only one responsive bid was received for the construction contract for the Mitchell Street Project. That bid was over the construction budget of $3.2 million. The library will resubmit the bid, scaling down the specifications to reduce the cost. Informational item.

The meeting of the Milwaukee Public Library Board’s Building & Development Committee was adjourned at 8:45 a.m. on November 3, 2016.
