REPORTS

4. Milwaukee County Federated Library System (MCFLS) Board. Trustee Nik Kovac, Resource Library Representative, reported on the June 12, 2017 MCFLS Board meeting. He said there was further discussion regarding increasing lending limits on DVD and CDs and the action was tabled by the Library Directors Advisory Council (LDAC). The Board reviewed the Delivery Services Contract which included some possible changes in delivery boundaries. Regular meeting items such as financial and administrative reports were reviewed. Director Kiely added since the meeting there is an update on State funding from MCFLS. The Wisconsin Library Association has been lobbying the legislators to return the level of funding for State Library Systems back to 2010 levels – an additional $1.5 million. The Joint Finance Committee approved an amendment to add that money to the budget. The funds, totaling $90,000 for MCFL would be used specifically for job training, early literacy and connectivity. Informational item.

5. Building and Development Committee. Committee Chair Michele Bria provided the report from the June 1, 2017 regarding the Forest Home, Mitchell Street, Mill Road/Good Hope, Martin Luther King and Capitol project updates. Referring to the meeting agenda and minutes listed at attachment B, page 21-27 of the agenda, Trustee Bria briefly summarized the committee’s discussion. Informational item.

6. Executive Committee. President Gurda reported that the committee reviewed the library’s major initiatives and their status. Discussion on succession planning for the Board took place. Director Kiely will provide planning tools and resources for the Trustees to use later this year and it may be an item for discussion at the future Board retreat. More information on the retreat, planned for February 2018 will be forthcoming. Informational item.

OLD BUSINESS

7. Branch Redevelopment. Construction Project Manager Sam McGovern-Rowen said the Design Kickoff meeting with Zimmerman Architectural Studios was held on June 8, 2017. Zimmerman will be designing the interior of the new library on Good Hope Road. Discussion included the MPL’s commitment to designing flexible spaces and encouraged the design team to be creative. Zimmerman will hold at least three community meetings during the design process to not only inform the public on initial renderings but to solicit their feedback. The development team, Royal Capital LLC and Maures Development Group, and their architect Engberg Anderson Architects, will attend the meetings. The first meeting will be scheduled in early August. Informational item.

NEW BUSINESS

8. Grand Opening of the Mitchell Street Branch. Community Relations & Engagement Director Eileen Force Cahill reported that the idea for the September 30, 2017 grand opening celebration is to reflect the Library Loud Awareness Campaign. There will be a lot of involvement with the community. She welcomed the Trustees to share their ideas with the library’s communications team. The Board will be updated on the events as the planning progresses. Informational item.
STRATEGIC DISCUSSION

9. **Program & Service Sustainability.** President Gurda invited the Budget Analyst Eric Pearson to explain the City’s budget process and timeline. The budget process began in May. Mayor Barrett gave each department head a target allocation for submitting their budget request for 2018. Due to increases in City pension costs, the request is for reductions compared to the 2017 budget. The Mayor’s proposed executive public hearing on the budget is scheduled for August 15, 2017. In late September the Mayor presents the proposed budget to the Common Council. The Common Council Finance & Personnel Committee hearing with City departments takes place in October. The final budget is adopted on November 10, 2017. Discussion ensued regarding the City’s Pension Board and their upcoming decision on the revised employer pension contribution rates that will be established beginning in 2018 and remain stable for the next five years. President Gurda encouraged the Trustees to advocate for the library system to inform the budget’s decision-makers about the significant services the library provides for the community. Informational item.

Chair JoAnne Anton called the meeting of the Board of Trustees Finance & Personnel Committee to order at 4:10 p.m. on Tuesday July 5, 2017 with a quorum present. Trustee Layden participated by conference phone.

1. **Quarterly Review of Fund Investments.** The Board received the U.S. Bank Institutional Trust and Custody quarterly report for MPL dated July 5, 2017 prior to the committee meeting. U.S. Bank Senior Portfolio Manager Wayne Sattler provided a market overview. The investment performance of the library’s trust fund for the period ending May 31, 2017 was reviewed. The portfolio overview was summarized. The committee accepted the report. Informational item.

2. **Quarterly Report of the Internal Control of the MPL Trust and Gift Funds.** Assistant Library Director Jennifer Meyer-Stearns distributed a memo regarding Internal Controls – Second Period 2017, attached at the end of these minutes. 4. **2018 Budget.** Director Kiely distributed a document titled Budget Review Process Calendar for 2018 Budget, attached at the end of these minutes. She has requested a meeting with Mayor Barrett, for the MPL and MPL Foundation Board presidents since the city budget allocation impacts the operations of the library and also the Foundation’s ability and need to fundraise. While the budget process is ongoing, library administration has identified several scenarios to cut cost and is reviewing what impact those measures would have. Once the data is gathered, a recommendation will be presented to Trustees. Director Kiely added that once Mayor Barrett presents his 2018 Proposed Executive Budget to the Common Council, she will request meetings with each Council member to discuss the library’s budget. Informational item.

The meeting of the Library Board’s Finance & Personnel Committee was adjourned at 4:45 p.m. on Tuesday July 5, 2017.
Date: July 1, 2017

To: Paula A. Kiely, Library Director

From: Jennifer Meyer, Assistant Library Director - Operations

Re: Internal Controls - Second Period 2017

I have confirmed that in March, April and May 2017 Library staff followed Trust Fund internal control procedures. I am pleased to report that there were no issues with the operations of the Library Gift and Trust Fund during this period.

The Account Clerk received all checks and prepared cash receipts for each one. I reviewed and retained a copy of each cash receipt.

The Business Manager prepared checks and Fund Payment Requests for signature based on the Board’s Check Signature Policy.

The Deputy Director received the March, April and May monthly bank statements and reviewed canceled checks. I prepared the monthly bank reconciliations for this period and the Business Manager posted all transactions to QuickBooks.

MPL CONSENT AGENDA
4b. Financial Report
P. 22
The annual American Library Conference was held in Chicago in late June, allowing a good number of MPL staff to attend. The Human Resources Team and others staffed a booth in the recruitment area to promote job opportunities at MPL. I was part of a panel presentation organized by the Urban Libraries Council to discuss the ConnectED (LibraryNOW) project.

The Public Library System Redesign (PLSR) project consumed a good deal of my attention during the month. In addition to attending and preparing for a 2-day planning retreat in Oshkosh, I spent 2 days traveling to the Southwest Wisconsin Library System and touring 10 libraries within the system to better understand the issues facing rural libraries. Similar to Milwaukee and other urban areas, these communities struggle with unemployment, economic development, and poverty.

**MPL HELPS PEOPLE READ**

**Author Visit: Martin J. Schreiber shares My Two Elaines.** On Monday, June 12 former Wisconsin Governor Martin (Marty) Schreiber spoke in the Krug Rare Books Room of Central Library. Mr. Schreiber’s book, *My Two Elaines: Learning, Coping, and Surviving as an Alzheimer’s Caregiver*, tells the story of his wife Elaine’s journey after being diagnosed with Alzheimer’s and Mr. Schreiber’s own experiences as a caregiver. After a warm welcome by Library Director Paula Kiely and remarks by Mayor Barrett, Mr. Schreiber used humor to share insight into managing the challenges of caring for those with dementia and memory loss. Proceeds from sales of *My Two Elaines* will go towards Alzheimer’s caregiver support programs. Also present was co-author Cathy Breitenbucher and members of the Hi-Mount Book Club. Attendance: 26.

**Author Visit: Louis V. Clark III.** Poet and author Louis V. Clark III (Two Shoes) visited the Loos Room of Centennial Hall to share his recent book *How to Be an Indian in the 21st Century*. A combination of prose and poetry, *How to Be an Indian*, chronicles Clark’s experiences growing up, attending school and working, and ultimately becoming an elder and grandfather. Clark was born and raised on the Oneida Reservation in northeastern Wisconsin and turned to poetry to continue the oral tradition of his people, the People of the Standing Stone. The event was co-sponsored by Boswell Book Company and Wisconsin Historical Society Press. Attendance: 41.

**Author Visit: Bob Buege.** Promoting his latest book, *Borchert Field: Stories from Milwaukee’s Legendary Baseball Field*, baseball historian Bob Buege visited Tippecanoe Branch on Tuesday, June 20 and shared historic photos along with stories of the many famous individuals who visited the field during its heyday. There was a lively question and answer portion that included attendees sharing their personal memories and connections to Borchert Field. The event was co-sponsored by Boswell Book Company and Wisconsin Historical Press. Attendance: 25.

**New Programming.** During April, May and June, East Branch hosted a total of 11 adult programs to promote print collections and encourage reading. Besides the monthly Book Club and Book to Art Club, there were Story Hour for Adults, a Book “Tasting” Party and the Quiet Reading Party. Kudos to our Library Reference Assistant Beth Gabriel for offering new and interesting programming! Attendance 46.

**Super Reader Summer Programming at Villard Square Branch** is in full swing. Two very popular programs, Browser’s Laugh Out Loud Birthday Celebration on June 22 and musician Laura Doherty on
June 29, were held this month. The Community Room was filled with much excitement and enthusiasm by staff, volunteers and patrons. Young and young at heart enjoyed meeting, and taking photos, with Browser at our first program. Guests danced and sang the hour away with our musician at the latter program. Attendance: 27 & 28

**MPL HELPS PEOPLE LEARN**

*Writing to Transform: Discovery Lunch for Lifelong Learners.* The Discovery Lunches series continues this summer bringing educational and informative programming targeted towards lifelong learners. The Mill Road library featured writing coach and author Rochelle Melander for a session on Writing to Transform, focusing on journaling as narrative therapy helping to access memories, improves wellness, and explores creativity. Attendance: 8.

*Music from the Backyard to the Front Porch: A Performance.* Central Library hosted folk musician Lauren Pelon on Saturday, June 17 for a performance in the Schoenleber Reading Room. Ms. Pelon studied the history of music and instrumentation both in America and overseas. She has performed on television specials, with Garrison Keillor's "A Prairie Home Companion," at the Russian Institute for the History of the Arts (St. Petersburg, Russia), and in concerts throughout the United States, Canada, Australia, New Zealand, Ireland, England, Kazakhstan, and China. Her program, Music from the Backyard to the Front Porch, shows the importance of learning our local stories and music. It featured music of America's indigenous peoples, as well as the songs and instruments of America's many immigrants. Attendance: 35.

*Ask a Question, Save a Life: Suicide Prevention Training.* The Martin Luther King branch hosted suicide prevention training on June 13. The training followed the Question, Ask, Persuade, suicide prevention model. The training provided statistics on suicides and attempted suicides and a myth vs. fact information sheet. The trainer outlined potential warning signs and specific tasks & questions to ask when encountering these signs. Attendees were all provided with tip sheets and suicide prevention hotline carrying cards. Attendance: 21.

*Thirteenth Documentary Viewing.* On June 26, Center Street Branch held a viewing of a serious documentary highlighting the 13*th* Amendment to the Constitution, which reads, "Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States." Attendance: 5.

*Recycled Tech for Teens.* At Villard Square Branch on June 21 brought a hands-on S.T.E.A.M. activity into the creative hands of teens and tweens. Participants ripped apart old tech to create upcycled art and wearables. In addition to creating their own tech pieces, attendees also learned about basic circuitry with the assistance of the MKE Mixers SnapCircuits box. Attendance: 13.

*Military Portraits Collection.* The Wisconsin Department of Veterans Affairs, in conjunction with the Wisconsin Veterans Museum and the Wisconsin World War I Centennial Commission, has created a website linking to organizations that have WWI research collections and exhibits. An assistant curator at the Wisconsin Veterans Museum has added links to MPL's World War I Military Portraits Collection, as part of the Wisconsin in WWI page of the Wisconsin World War I Centennial Commission site. MPL's World War I Military Portraits is comprised of more than 32,000 photographs, typewritten volumes, and service records. The items were compiled from collections of the American War Mothers Milwaukee County Chapter and the Milwaukee County Council of Defense. These items contain a wealth of genealogical information and provide a candid look into soldiers' ideas and perceptions of the First World War.
Gymnastics. Visitors to the 2017 USA Gymnastics Championships (the national championships for acrobatic gymnastics, rhythmic gymnastics and trampoline, held at the BMO Harris Bradley Center and Wisconsin Center) visited Central's Art Music & Recreation Department to view gymnastic books in the Art, Music and Recreation department. The patrons were especially interested in historic rules for trampoline competitions to supplement the information on the KMC Trampoline Team website on archives of competition rules for trampoline.

Databases. At Central's Periodicals desk, librarians encountered a patron who recently became a marketing director for a local media company. In order to “bring them out of the ‘80s,” he wanted to update their marketing base by narrowing their target audience. Specifically, he was looking for demographic data of minority-owned businesses in the area. He had checked with a large data company, but the cost was prohibitive, so a friend suggested MPL. The patron hadn’t been at the library since he was 9 years old, but signed up for a library card when he arrived. Librarians gave him a brief tour of ReferenceUSA, showing how to navigate the site for the information he wanted (and mentioned AtoZ Databases and Demographics Now). The patron told a librarian “You’re my new best friend” and “I feel like a kid again” as he gave a high five. The excitement of the library opening up a new world for him was just like how he felt when he visited us as a child. Not only was he able to find exactly what he was looking for, he was thrilled to learn he could access our databases from home with his new library card.

MPL HELPS PEOPLE CONNECT

Another Outstanding Juneteenth Day at the Martin Luther King Library! The library welcomed over 1300 patrons through its doors. We offered free showings of the film “Milwaukee 53206” and free blood pressure checks from the Milwaukee Chapter of National Black Nurses Association. Our Super Reader table outside in the parking lot brought in 82 new signups for the program. Attendance: 1346.

Wonderfully Wild Wednesdays: ARTernoon The first program, ARTernoon, in the Wonderfully Wild Wednesdays Summer series was held on June 21 from 4-7 p.m. at the MPL Express at Silver Spring. This program connected residents of Westlawn Gardens, the wider community, MPL, MPS and HACM while everyone learned about Milwaukee’s only fully automated 24/7 library. Children and adults created sidewalk chalk art based on children’s books and read outdoors on this beautiful Wednesday afternoon. Additional programs will be held on July 19 and August 16. Attendance: 56.

Capitol Library Community Garden Takes Root! If you are visiting or passing the Capitol Branch, you will notice some new growth in front of the library on Capitol Drive. The library has partnered with Groundwork Milwaukee who has generously built five garden beds and supplied seedlings. This project originated last summer and harvested much interest in the community with people signing up a year ago. The beds were built on June 8 and then they were moved to the north side of the building and filled with soil. Within a week, eager planters started to fill them. By the end of June, all beds are bursting with vegetation. Besides the supplied pepper and squash seedlings, there are also collards and tomatoes, with colorful flowers completing the Community Garden. According to Antoine Carter of Groundwork Milwaukee, this is the first Community Garden at a library in the city of Milwaukee that he is aware of. He stated, “Other than the green roof at Central Library I haven’t seen any public gardens at a library in Milwaukee.” Attendance: 9.
Maybe Something Beautiful. To celebrate Browser’s Birthday Party, Washington Park Branch held a chalk-art party on the afternoon of June 15 entitled Maybe Something Beautiful. Both children and adults gathered to meet Browser and to make beautiful sidewalk art with him. And there were lots of Brower hugs to go around, including one for Claire Bonnie Wise attending with her grandpa. Attendance: 50.

Central Library’s 1st Annual Job Expo. On June 22 the Business, Technology and Periodicals Department welcomed 41 employers and information providers to share employment opportunities and job resources to attendees. Local opportunities from retail, manufacturing, construction and trades, food service, health, transit, education and more were included. Target audiences included opportunities for teens, limited English speakers, and ex-offenders. WTMJ 4 stopped by to cover the event as well. The Job Expo also included all of MPL’s workforce development partners: Employ Milwaukee, Goodwill Industries of Southeastern Wisconsin Inc., and Havenwoods Economic Development Corporation. Feedback provided by employers was positive and library staff looks forward to doing this again. There is definitely a demand which was evident by our wait list of employers. The event was coordinated by Business Coordinator Hermoine Bell-Henderson and librarian Laura Patino. It was sponsored by the Friends of the Milwaukee Public Library. Attendance: 206

Listening Devices. MPL, in tandem with the Milwaukee Public Library Friends Group, now has ear buds for sale at each Branch and at Central Library. They are also for sale in the Bookseller. Branded with the Milwaukee Public Library logo, they sell for $3.00 including tax. The public has increasingly requested listening device access at the libraries with the proliferation of cell phones, tablets and laptops. The earbuds provide an inexpensive and sanitary way to meet that need.

Wisconsin Women Artists. A group of women came in to Art Music and Recreation Department asking about the Central Library Art Gallery exhibit and one of the pieces – because it was painted by one of the group’s mother! Librarians were able to provide them with information about the exhibit and contact information for the Milwaukee Art Museum so that they could research further about what holdings they might have related to that artist. The Central Library Art Gallery hosts a selection of paintings on loan from the Milwaukee Art Museum’s permanent collection. The current exhibit, installed September 2016, features a selection of works by Wisconsin Women Artists. Created between 1948 and 1981, subjects consist of portraits, interiors, and landscapes with styles that include abstract, impressionism, expressionism, and more.

The Executive Committee of the Irpin City Council expresses its gratitude for the warm welcome for our delegation during our visit on June 5 - 7, 2017, which was organized by Griffon Brands inc. and initiated by Boris Nayflish.

We also express our gratitude to the Milwaukee Public Library for conducting an exciting and informative program for our delegation during our visit to your beautiful city.

Such events contribute to the strengthening of the relations between the Ukrainian and American people and have a positive impact on our communities. The visit will result in an increasing number of Ukrainians who will visit Milwaukee to cooperate in various fields and implement joint projects organized by our cities.

I am confident that the consultations that have taken place will contribute to the strengthening of already friendly relations and I look forward to further development of the Sister City programs between our cities.

Sincerely yours,

Volodymyr Karpliuk
Mayor of Irpin
