Homework Help
Hands-on Activities

May 1 - May 4: Things That Fly

- Astronauts: Try astronaut ice cream and make your own ice cream.
- Hang time: Make paper helicopters in a competition to see who's design can hang the longest.
- Flight: Learn about the history of flight and make paper planes.
- May the Fourth Be With You: "Padawans" must work together in this Jedi Training to accomplish team-building tasks and earn their Kyber Crystal, which they can bring home with them on a necklace.

May 8 - May 11: Sounds

- Easy Recipes: Work with a partner to create a communication quesadilla.
- In this musical instrument building workshop, students will learn about unconventional ways to make sound out of everyday materials.
- Choose Your Own Adventure: Join us for a variety of hands-on activities.
- Freegal: Learn about a LibraryNow resource to make a playlist, then make a speaker to amplify the music.

May 15 - May 18: Game Show Network

- Nailed It: Participate in a food decoration competition before enjoying the treats!
- After using "Makey Makey" to create our own game show buzzer, we'll use them to play our own rounds of Jeopardy.
- Do you have what it takes to compete in team trivia challenges?
- Create your own game: Design your own game to take home.

May 22 - May 25: What's in Your Neighborhood?

- Easy Recipes: Make a fruit salad with locally grown fruits.
- Solve the puzzle by going on a scavenger hunt for clues hidden around the library.
- Choose Your Own Adventure: Join us for a variety of hands-on activities.
- Neighborhood Planner: If you could design your own neighborhood, what would it look like?
